This committee consists of all the full-time faculty members including the Director, the Librarian and representative of the administrative staff. The chairmanship of the meeting is held by rotation by one of the members and the secretary is usually the junior most faculty member. The chairmanship is rotated every academic year. The main responsibilities of this committee are:

- To handle the day-to-day issues of academic and student interface matters.
- To approve new academic initiatives of the institute.
- To propose changes in strategic directions of the institute, especially in academic matters.
- Any other matter that may be of concern to any member

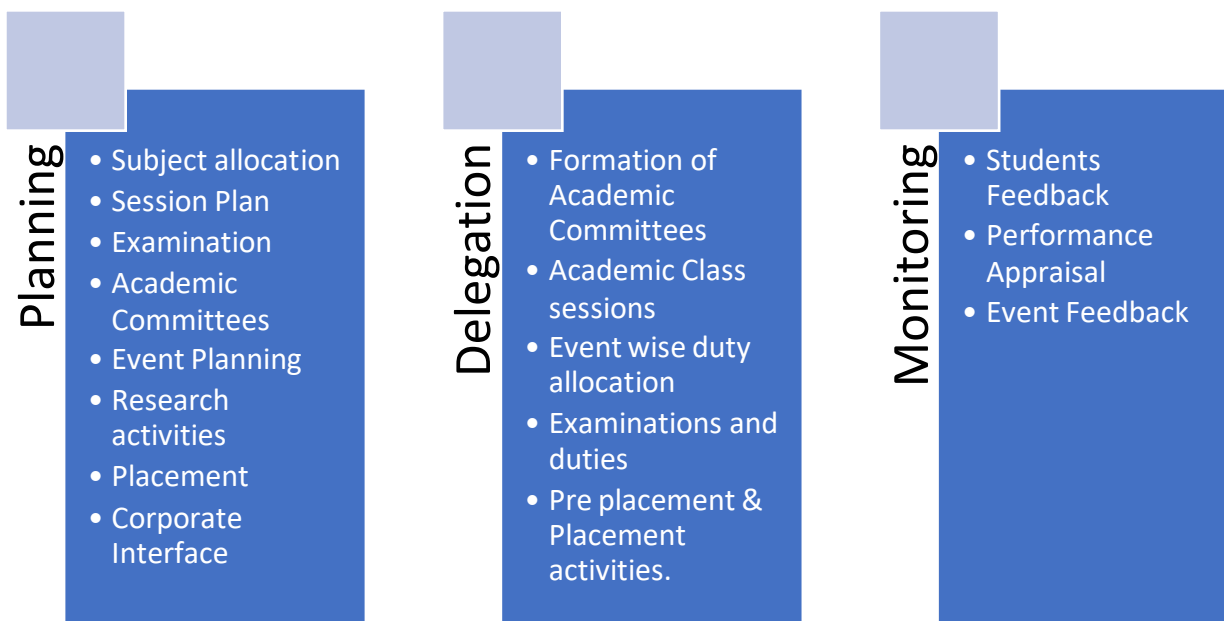

All the bodies of the society provide for concurrent overlapping membership, so that context of an issue discussed at a lower level is available at the next level.

## 5.6 Mechanism/ Norms and Procedure for democratic/ good Governance

### 1. Academics

### 2. Administration

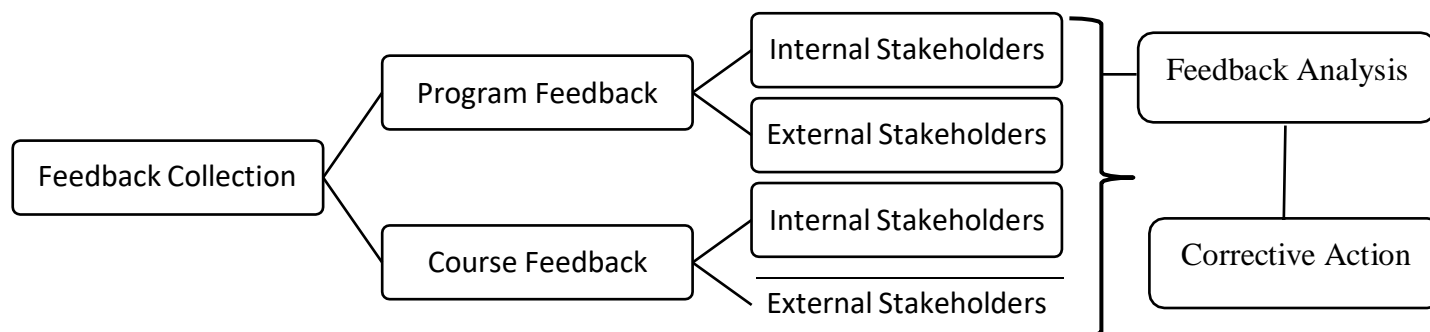

## 5.7 Student Feedback on Institutional Governance/ Faculty performance

IMDR implements a structured feedback mechanism from various stake holders to ensure quality teaching learning process and a conducive academic environment. The stakeholders play a vital role in the evaluation, development and enhancement of the quality of the learning experience. Feedback from stakeholders allows the institute to evaluate and improve academic and administrative processes.

Feedback mechanism has two components –

- Feedback collection and analysis
- Corrective action

Broad areas of feedback include Course Feedback and Program Feedback. The mechanism is as follows –

### Feedback Committee

Feedback collection, analysis and monitoring of corrective actions is done by Committee on Academics.

### Feedback Collection and Analysis

## 5.8 Grievance Redressal mechanism for Faculty, staff and students

In order to provide opportunities for redressal of certain grievances of students already enrolled in any institution, as well as for those seeking admission to such institutions, AICTE has notified All India Council for Technical Education (Redressal of Grievance of Students) Regulations, 2019 vide F. No. 1-101/PGRC/AICTE/Regulation/2019 dated 07.11.2019 for establishment of grievance redressal mechanism for all AICTE approved Technical Institutions. As per these rules and regulations addressed by the AICTE, for student or other stake holders in an Institution, “Grievance Redressal Committee” of Institute of Management Development and Research, Pune, has been constituted with following Staff in different positions to enquire the nature and extent of grievance with the following guidelines -

- A complaint from an aggrieved student relating to the institution shall be addressed to the Chairperson, Student Grievance

Redressal Committee (SGRC).

- Every AICTE approved institution shall constitute Student Grievance Redressal Committee (SGRC) with the following composition, namely:
  - Principal of the College- Chairperson
  - Three senior members of the teaching faculty to be nominated by the Principal as Members and out of three one member shall be female and other from SC/ST/OBC category
  - A representative from among students of the College to be nominated by the Principal based on academic merit/excellence in sports/performance in co-curricular activities-
  - Special Invitee.
- The term of the members and the special invitee shall be of two years.
- The quorum for the meeting including the Chairperson, but excluding the special invitee, shall be three.
- In considering the grievances before it, the SGRC shall follow principles of natural justice.
- The SGRC shall send its report with recommendations, if any, to the concerned institution and a copy thereof to the aggrieved student, within a period of 15 days from the date of receipt of the complaint.
- Any student aggrieved by the decision of the Student Grievance Redressal Committee may prefer an appeal to the Ombudsman, within a period of fifteen days from the date of receipt of such decision.

### Teaching Load of each Faculty - As per AICTE norms

## **Evaluation Mechanism**

The evaluation mechanism is a part of direct assessments within the OBE framework adopted as a part of Exam Reforms. This evaluation for a course in a semester is of two types based on the type of course -

1. Continuous Evaluation
2. Term-end Examination

### **1. Continuous Evaluation**

Continuous evaluation of students' performance shall be carried out continuously throughout the semester. This shall be by way of his/her performance in classroom discussion, case studies, project work, presentations, assignments, quizzes, class tests, on-line tests and any other mode of performance assessments as deemed fit by the faculty, as per the requirements of the subject and students' skill development. Forty percent weightage shall be given to this assessment. Each assessment shall be mapped to Course Outcomes as per the Outcome Based Education System.

### **2. Term-end Examination**

Term-end is the final assessment which a student shall take for every course at the end of a semester. This assessment may be carried out in an online mode or in pen and paper format. The assessment format shall be decided by the Director in consultation with the faculty members and academic committee. The assessment shall be mapped to Course Outcomes as per the Outcome Based Education System. The duration of each examination will be 2 hours and 30 minutes.
