**Regular classes as per time table from August, 11, 2023**

### **Design of Exercise 1 and 2**

Objectives:

- To share the experiences of Six Months Internship.
- To help students deal with perceptions of Work Organizations
- To recapitulate the 'learning' from the six months period of the internship.
- To share the 'learning' and see the relevance of the learning for the year ahead.

#### **Stage 1: experience sharing**

Random groups are formed with a faculty member facilitating each group. After the groups are formed:

- Students one by one share their experience of the organization in terms of the following:
  1. People at the workplace
  2. Industry to which the organization belongs
  3. Products sold
  4. Customers

5. Use of technology

- Each student then lists at least two positive and two negative features of the organization
- The faculty member then collates the experiences of the group.

**Stage 2: learnings**

Recall the activities or things that you

Describe what you did in detail. Share it in the group.

Go over the description again and

All groups reassemble, a representative
