IMDR

Placement Report: IMDR 49th Batch (2023-24)

IMDR Pune proudly announces the successful conclusion of its placement season for the 2023-24 academic year, reaffirming its reputation as a premier institution for management education and career development. With its unwavering commitment to academic excellence and robust industry engagement, IMDR has set a benchmark in providing transformative opportunities for its students.

Key Highlights

- **Batch Size:** The placement process included a total of 180 students, of which 160 were eligible for placement, maintaining a consistent batch size compared to the previous year.
- **Placement Rate:** An impressive 92% placement rate was achieved, reflecting the institute's strong industry relationships and the caliber of its graduates.
- **Hybrid Learning Success:** This cohort displayed exceptional adaptability, effectively leveraging hybrid learning models to excel in academic and professional endeavors.

Academic and Professional Adaptability

In response to the evolving educational landscape, IMDR Pune seamlessly transitioned to virtual platforms for both academic and placement activities. This adaptability highlights the institute's dedication to creating a conducive learning environment, enabling students to thrive amidst challenges.

Diverse Recruiter Base

IMDR Pune attracted a wide spectrum of recruiters from prominent sectors, underscoring the versatility and relevance of its management program. Notable domains included:

- **Banking, Financial Services, and Insurance (BFSI):** 42% of total placements
- **Consulting:** 15%
- **IT/ITES:** 12%
- **FMCG:** 12%
- **Manufacturing:** 8%
- **E-commerce:** 8%
- **Entrepreneurship:** 3%

The BFSI sector emerged as the leading recruiter, with organizations such as Deloitte, ICICI Bank, Federal Bank, TATA Capital, and Kotak Mahindra Bank participating actively. This strong representation underscores the confidence employers have in the skills and preparedness of IMDR graduates.

Placement Statistics

- **Highest Salary Package:** ₹14.71 lakhs per annum
- **Average Salary Package:** ₹6.56 lakhs per annum
- **Modal Salary Package:** ₹8.24 lakhs per annum

These figures illustrate the consistent demand for IMDR graduates and their earning potential in competitive job markets.

Notable Achievements

1. **Job Offers:** 142 students secured placements, a testament to their capabilities and the institute's robust placement ecosystem.
 2. **Entrepreneurship:** Four students launched their own ventures, reflecting IMDR's commitment to nurturing innovation and entrepreneurial spirit.
 3. **Higher Education:** Two students opted to pursue advanced studies, showcasing the diverse aspirations of the graduating batch.
-

The Placement Report for IMDR's 49th Batch (2023-24) underscores the institute's dedication to shaping industry-ready professionals equipped for the dynamic global market. The stellar placement outcomes, coupled with entrepreneurial initiatives, affirm IMDR Pune's position as a leading institution in management education. With a continued focus on curriculum innovation and industry alignment, IMDR remains steadfast in its mission to empower the leaders of tomorrow.
